Subject: Program Grant Agreement Number: MOL-607-G03-H
**Principal Recipient: Public Institution «Coordination, Implementation
and Monitoring Unit of the Health System Restructuring Project»**
Implementation Letter 3¹
Three-month Extension to Phase 1 with additional funding

UNOFFICIAL SUMMARY

This letter extends Phase 1 for three months, commits additional funding to the Phase 1 amount and changes the name of the Principal Recipient. The updated Attachment to Annex A, which contains targets and a budget for this extension period, are also attached.

Dear Dr Volovei,

We are writing this letter to change the name of the Principal Recipient and to provide you with a three-month extension to the Round 6 HIV Grant Agreement. The change of the name of the Principal Recipient is due to the change in the legal status of the Principal Recipient from an entity of the Ministry of Health of the Government of the Republic of Moldova to a separate legal entity. The Phase 1 Ending Date is changing from 31 December 2009 to 31 March 2010. We are also increasing the Grant amount by USD 323,200 (Three Hundred Twenty Three thousand Two Hundred United States Dollars).

The purpose of this extension is to ensure that the Program activities continue while the Phase 2 documentation is being negotiated. However this does not mean that the Phase 2 documentation has been approved. If the negotiations of the Phase 2 documentation are successful, the overall five year term of the Grant Agreement shall remain the same.

We have attached an updated Attachment, which contains targets for the extension period, and a Summary Budget that includes the additional funds being committed.

¹ This Grant Agreement was changed before by letters dated 11 February 2008 and 19 June 2009.

We are also taking this opportunity to update the contact details of the Global Fund designated recipient for notices in Block 14 of the face sheet of the Grant Agreement.

We are amending the Grant Agreement to reflect the changes described above by:

(1) Updating the following blocks on the face sheet:
